

Proposed Parkwood Park Committee 2014/2015 Projects

Summer 2014

Invasive Plant removal
Water plants at W Ponce de Leon

Fall 2014

Host neighborhood work day to fill holes on W Parkwood side of the park,

Begin Phase 1 of Parkwood Prairie (remove mulberry trees, add compost, and mulch).

Introduce planting plan for the south end of the park to the neighborhood and begin plant installation

Host small work day to plant bulbs at traffic triangle (dependent on GA DOT road repaving project)

Winter 2014-2015

Host neighborhood work day to mulch trails

Conduct our first creek restoration with invasive plant removal and live stake installation

Spring 2015

Host first annual Easter Egg hunt in the park

Install phase 1 of Parkwood Prairie

Fundraising:

Apply for Decatur Beer grant for Phase 1 of Parkwood Prairie

Apply to Druid Hills Civic Association for matching grant (Propose DHCA match any donations raised during the October Membership drive to support the plantings for the south end of the park)

Still to be determined:

Bridge?

Tree work?
