

Parkwood Park Committee Update August, 2014

The August PPC meeting is scheduled for Thursday, August 14.

Below is an update on the projects scheduled for this summer:

1. W Ponce Watering - volunteers have watered the new plantings at W Ponce de Leon when needed.
2. Invasive Plant removal - work has continued with invasive summer annuals and vines, perennials along the E and W Parkwood paths. English ivy removal will continue once the native perennials are dormant.
3. W Ponce area was mulched and looked wonderful until the big rain on Friday.
4. Decatur Beer Festival Grant Application was submitted on August 1.
 - Approval to remove 3 understory trees in the new meadow area
