

Membership Report – Parkwood Garden Club – drafted by Katy Mallory
Drafted October 5, 2014 (for review October 6)

Fall Block Party:

- Save the date e-mail already out
- Evite to go out within the next week (will help with solidifying head count)
- Activities planned include BBQ contest, cake walk and Halloween costume parade
- Reached out to hostesses this weekend to see if they can share an update on planning efforts (how many folks have volunteered to make BBQ, decorations, etc.)
- Reminded hostesses they should explore the existing party supplies (in a storage crate) before they buy any more

New Neighbors:

- None that I know of

Sick Neighbors or New Babies:

- None that I know of

Bunco:

- First Bunco since school is back in session was last Tuesday night at Karna's
- I believe there were 12 attendees and fun was had by all
- Sally Thomas to announce next Bunco location shortly (Leigh Potts' home); e-mail to go out a week and a half in advance

Fall Membership Drive:

- Brochure essentially complete barring any last minute changes – thank you to the committee for your thoughtful and timely feedback
- PayPal address set up (membership@parkwoodgardenclub.com) – I will transfer funds at the end of the drive to the Parkwood account or my own account (could cut a check from there)
- Outstanding:
 - Decide if we can spend the extra \$40 to print in color
 - Determine who provides envelopes and/or if we need them
 - Create plan for canvassing the neighborhood to hand out brochures/membership forms
 - Create plan for membership table at fall party (I will likely be late because we're coming back from out of town, but I will be there)
