

5/9/2015 Parkwood Banner Update

Pricing - Ordering 20-39 - \$32.49 per banner plus 7% tax.

Ordering 40+ - \$29.24 per banner plus 7% tax

Neighbor status (excluding us since we'll just keep the sample banner and display once the others are delivered). Chad would buy these for any new "Active" (not under contract) listings which could be up to 4-5 this year depending on timing. My vote would be to send a neighborhood email regarding the subject, have a final order count at the neighborhood meeting, then order the YES amount plus X (maybe 5) extra with the current Board in place (even though we do have members transitioning to the new Board). Ordering a single one is around \$40.
